- 8:15am** Depart Hotel for RC-2020 Round Table Discussion – hosted by Cisco.
- 8:45am** Welcome and Innovation Showcase – Cisco.

Dr. Rick Huijbregts is Cisco Americas Managing Director, Digital Transformation and Industry Solutions.

Rick leads Digital Transformation business development and sales acceleration through rolling out innovative and business-relevant industry solutions at Cisco in the Americas.

Rick's responsibilities further include the Go-to-Market for the Internet of Things; defining and creating new and creative industry partnerships; industry thought leadership on business transformation in the digital world; Industry and City Digitization business development; and overseeing one of Cisco's nine worldwide Innovation Centres.

- 9:15am** RC-2020 Roundtable Discussion.

Discussion theme: **Innovation and Applied Research for Economic Development.**

*"In the context of innovation and preparing our students for the workforce, what changes in your local economy has your college had to respond to and how did you do it?"*

- 12:30pm** Depart Cisco for visit to Niagara Falls – boxed lunches will be provided.
- 2:00pm** Photo stop at Niagara Falls.
- 2:30pm** Depart Niagara Falls for Niagara on the Lake.

Niagara on the Lake was the site of the old Neutral Indian Village of Onghiara. It was settled by Loyalists coming to Upper Canada, during the American Revolution at Fort Niagara, then under British control.

A tour guide will join the group for a 1 hour walking tour as we take in the history and historic sites of this beautiful town.

1 hour at leisure.

- 5:00pm** Depart Niagara on the Lake for Peller Estates.

Our visit to Peller Estates will begin with a visit to the exquisite underground Trius sparkling Cellar where we'll experience a few surprises.

We'll embark on an unforgettable culinary journey through gourmet dishes and perfect pairings as we sample a true taste of Canada.
